Kimberly R. Mitseff  
Assistant Attorney General  
Cadillac Place

Detroit, MI 48202

Dear Ms. Mitseff:

We are becoming more aware of Human Trafficking that is occurring in southwest Michigan. Law enforcement also realizes that steps need to be taken to revise the present bills in place. I have reviewed House Bills 5230, 5233, 5239, 5241 and 5242 and fully support the revisions set forth.

Respectfully,
